

INTRODUCING!

**ISO 9001:2015
Certified**
(coming 2021)

YOUR COMPONENT RESOURCE FOR
CRITICAL FLUID HANDLING

- **Aseptic Connection Devices**
- **BPE Fittings - Stainless Steel Sanitary**
- **Clean Steam products - Traps, Filters, Valves, Specialty**
- **Custom Fabrications - Plastic/Stainless**
- **Custom Skid Systems**
- **Filtration & Filter Housings**
- **Fluid Monitoring**
- **Gaskets - Sanitary Tri-Clamp, Specialty**
- **Gauges – Sanitary Pressure, Temperature, Thermowells, Level Indicators**
- **Hose/Hose Assemblies**
- **Mixers - Bottom Mount Magnetic**
- **Molded Silicone Components**
- **Peristaltic Pumps/Pump Tubing**
- **Piping/Tubing Hangers**
- **Plastic Tanks**
- **Quick Couplers - Plastic**
- **Scales, Weighing Technology**
- **Sensors - Disposable & Reusable**
- **Sight Glasses/Flow Indicators**
- **Stainless Tanks**
- **Tubing - Stainless, Plastic and Rubber**
- **Valves - Diaphragm, Ball, Sampling, Tank Outlet, Pinch**

With over 100 combined years of sanitary processing experience, we truly understand what "Clean", "GMP", "Validation", "Regulatory" and "Safe" really mean.

**Offices
Throughout
the Southeast**

**Carolina
Components
Group**

NC:
220-B Dominion Dr
Morrisville, NC 27560
Ph: 919-635-8438

CustomerService@CarolinaFlow.com

GA:
14230 Lochridge Blvd.
Covington, GA 30014

- **Service is Job #1**
- Huge inventories of brand name processing components
- A specially designed environmentally controlled fabrication and testing center
- An educated staff to provide timely responses to your questions
- Strategically located facilities throughout the Southeast

MANUFACTURER

PRODUCT

AdvantaPure	Silicone hose & stainless steel fitting systems Tubing products Silicone hose, tubing, manifolds stoppers, molded systems and rigid plastic piping
AFlex Hose, Ltd.	Flexible PTFE hose systems
Artesyn	Single use valve & valve liner assemblies
Behringer	Piping hangers, sanitary block & stainless steel support systems
BioFlex Solutions	Plastic components & accessories
Colder Products Corporation	Innovative quick connect couplings for hose & tubing
DK Lok	Tube fittings & accessories
Entegris	Fluid management
Flex Concepts	Biosolution containment bags
Fluid line Technology	Custom stainless steel fabrications & sample valves
L.J. Star, Inc.	Process observation equipment, sight glasses/liquid flow indicators
MDI	Cartridge & Capsule Filters
Minebea-Intech	Scales, precision weighing & inspection equipment
Newman/Rubber FAB	Sanitary gaskets, o-rings, molded components & process monitoring equipment
Plastic Concepts	Custom Plastic Fabrication & Technologies
Saint-Gobain Process Systems	Tubing, rubber hoses, custom fittings, Teflon® hose
Saunders (A Crane Company)	Sanitary diaphragm valves & control systems
SonoTec	Non-invasive fluid monitoring
Spirax Sarco	Steam traps, steam filtration, steam generation, steam valves
TBL Plastics	Supplying filter housings
TECHNISERV	Bioprocess equipment, custom design & build, filter housings
VNE/Rath Gibson	Sanitary Fittings & Stainless steel tubing
WIKA	Pressure, temperature & level measurement for sanitary applications
